Customer Reviews

Why does it have to be so difficult to use the Lending Library and why do we have to 'borrow' or buy the information on how to use it? I took notes while reading the book. I returned the book and haven't been able to go to the Lending Library since then.

You can get this info for free by: (1) go into your account, (2) click on "Manage Your Content and Devices," (3) click on "Kindle Support," (4) click on "Borrow, Lend and Return Books" in the Kindle

section. Then follow the instructions. No need to buy this book.

This is definitely a good read for someone that is brand new, such as myself. For instance, I didn't know you could only borrow one book a month. That would make Prime much less appealing IF that's the only reason I wanted Prime. Thank you for the information.

The Kindle Owners Lending Library has a lot of great books to offer, but figuring out what books are available is not always easy. I've always found it so frustrating, until I found this book! This is a great step-by-step guide that tells you how to find out which books you can read for free, and walks you through the ways to access them. Not only that, but it also goes over the other great features available through Prime, like its free TV and movie library. It's a must-read for any Kindle owner!

I have both Kindle Unlimited and Prime. Was simply trying to learn about the 'Owners Lending Library'. It feels a bit like I got scammed. Not sure how I got suckered into paying \$1.07 for this, considering that I hadn't even logged into purchases (using my password). , you really need to clean up the User Interface here! It's a rat maze. And I want my \$1.07 back.

Doesn't show how to get the free books. Sample pages shown don't exist .

Needed to know how to access lending books. Would be better if hard copy could be printed of the how to do wording.

I wanted to find out how to use my Prime membership and this book was useless! Do Not Buy It!
