Spark Notes Bless Me Ultima

Synopsis

Get your "A" in gear! They're today's most popular study guides-with everything you need to succeed in school. Written by Harvard students for students, since its inception SparkNotes® has developed a loyal community of dedicated users and become a major education brand. Consumer demand has been so strong that the guides have expanded to over 150 titles. SparkNotes' motto is Smarter, Better, Faster because:Â They feature the most current ideas and themes, written by experts.Â They're easier to understand, because the same people who use them have also written them.Â The clear writing style and edited content enables students to read through the material quickly, saving valuable time. And with everything covered--context; plot overview; character lists; themes, motifs, and symbols; summary and analysis, key facts; study questions and essay topics; and reviews and resources--you don't have to go anywhere else!

Customer Reviews

Recently, I've had the chance to read this novel through an english class which has brought out many new perspectives within the novel. This novel shows the importance of family and the balance and equality between life. The conflict with the Marez and Luna can be referred to a "Romeo/Juliet" Shakespearian drama. One of the good aspects of the book that I found was interesting enough was the mockingbirds that kept on appearing within and between the lines of the text. Well, that's all folks. Also, to help you with the understanding of the text would be to discuss and ask questions with fellow classmates or family members. *sparknotes.com may help too.... (^_^)

Hard to comprehend in this day and age the power and fear and distrust in the embodiment of the title name voodoo type Mexican woman.

The book was overall a quality piece of work. I like it because it deals with the challenges and questions of a young person like myself. I find myself asking the same questions as Antonio. Also, the plot was relatively interesting and it keeps the reader going most of the time. The descriptions of the Western United States make me want to be there. I love the fact that Ultima saved Antonio's life. Although it was a good book, I cannot give it a 10 because some sections do not keep the reader going on his own will.

Bless Me Ultima was a wonderful book. I loved the fact that the author possessed so much talent to put such a vivid picture in my mind. There never was a dull or boring moment in the book. I was captured by the tale of a young boy from New Mexico. I absolutely adore this book it was well worth reading.
