Lora's Stories II: Appalachian Child

Synopsis

This book is a work of non-fiction, based on my Mother's writings, and my personal experiences. Mom quit school after she graduated from the 9th grade to marry my father. Later in life after having nine children, seven of whom survived to adulthood, she took classes and earned her GED in her mid-forties. She was so proud to have completed her GED and we were proud of her too. Mom belonged to the Presbyterian Writers Guild in Lexington, North Carolina. They encouraged her to write about her personal experiences. Mom passed away in 2009. Mom's dream was to publish her stories; unfortunately, many of these stories were never published.

Customer Reviews

This is a very emotional and transparent collection of stories. It is a must read for any family that has had family member diagnosed with Shell Shock or better know as PTSD. It is a faith based testimony of a very strong and loving mother. I highly recommend this book. Scott Webb, Ohio.
