Myers' Psychology For AP®

Synopsis

Thus begins market-leading author David Myers's discussion of developmental psychology in Unit 9 of his new Myers's Psychology for AP® Second Edition. With an undeniable gift for writing, Dr. Myers will lead your students on a guided tour of psychological science and poignant personal stories. Dr. Myers teaches, illuminates, and inspires. Four years ago, we published this ground-breaking text which is correlated directly to the AP® course. Today, we build on that innovation and proudly introduce the 2nd AP® Edition. Whether you are new to AP® psychology or have many years under your belt, this uniquely AP® book program can help you achieve more.

Customer Reviews

If you read this book, there's no way you'll get less than a 5 (a perfect score). It perfectly explains everything you need to know to prepare for the AP psych exam. I used this book along with a barron book as my only resource.

Like all textbooks, very pricey.

i got it in just good condition and i got it better than expected. Definitely recommend!

A great high school textbook! Highly recommended.

Good text my daughter got a five on the AP exam!

The gold standard for AP Psychology

Every thing was great
