For Grandfathers Only

Synopsis

The author shares two of his great passions with the reader---family and writing. Husband, Daddy of 9, Grandfather of 24, Great Grandfather of 21 (and counting), Navy veteran, Air Force veteran, world traveler, lover of life and humorist, Earl invites his audience to journey into his world of "Grandfatherism." This seasoned and devoted Grandfather recommends reserving a large space in every Grandfather's collection of treasures to accommodate the many different hats needed to meet the challenges and fulfill the Grandfather's role. Whether awaiting the birth of a first grandchild, welcoming yet another among several of many grandchildren, or searching for a good read, connect with the author's humor, tears, lessons learned, life-long memories and experiences as he presents his own version of "Grandfatherism."
