For courses in American Government Explore American politics through the Constitution Government by the People provides a thorough, Constitution-based introduction to the foundational principles, processes, and institutions of American government. Throughout, authors David Magleby, Paul Light, and Christine Nemacheck highlight the central role that people play in a constitutional democracy, inspiring students to see how similarities and differences in political beliefs continue to shape government to this day. The 2014 Elections and Updates Edition includes coverage of the major issues in todayâ s headlines to engage students in learning, as well as to boost the relevance of course material to studentsâ  lives. Also available with MyPoliSciLabÂ® MyPoliSciLab for the American Government course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what theyâ ve learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MyPoliSciLab does not include an eText. Government by the People, 2014 Elections and Updates Edition is also available via REVELÂ„, an immersive learning experience designed for the way today's students read, think, and learn.

Customer Reviews

The book is good by means of being all-encompassing and very thorough; to the point of being quite exhaustive with constant dates, names, and references. I found it to be quite liberal though. I hoped for a neutral book about such a topic, but found that nearly every positive example was tied to liberals, and nearly every negative example was tied to conservatives. Got annoying to have such a consistent slant.
