I Am The Love Of My Life

Dear You

Not a single person is
born to be alone.

But just as we are clear
if you're by your loveless one
just look in the mirror.
Love who you see and you
will discover that love is
someone else.

I know it seems difficult to do,
but I know in the end
you have what it takes.

You love yourself without stopping.
Hold on to who you really are.

Stop counting the roses that
never came.

You deserve the love that
you have given.

Remember this day.

How you refused to settle for less.

How you chose to be the love of your life and

I Am The Love Of My Life

by Horacio Jones

Synopsis

What if you could, with a little effort, finally find a path to self-love that suits you specifically? A path that will no longer lead you back to exes? A path that will no longer allow you to feel "stuck" in the same kind of poisonous relationships and situationships as everyone else around you? A path to finding out what it truly means to love YOUR self in such a way that it supercharges the love you give to others? We hear it and read about it all the time: "Love Yourself First." But HOW is the question that we all ask ourselves. Horacio Jones has expanded on the ideas that love comes in over 7 billion forms; we all learn and experience love in our own languages, and therefore our paths to healing and accepting ourselves are in different languages as well. There is no one-size-fits-all definition of love. Love is neither right or wrong, it just "is." And the purpose of this book is to shed light on the importance of living by not only your own love language, but also your own healing language. In "I Am The Love Of My Life," Horacio Jones provide you with the enlightenment on finding YOUR own unique path to love YOUR own self. A must-read for anyone whose ever had one of those "why is it so hard to love myself"" moments of self doubt.. This book will give you both new perspectives on self-appreciation principles as well as tactical thinking for figuring out what your own unique version of self-love looks like and how you can get there. Horacio Jones does an amazing job at speaking the truth in regards to relationships, situationships and love. This is a must read especially in today's society of "I don't want a relationship, but I don't want you to be single," and the very confusing "we are exclusive, but not officially together" type of dating. Welcome to the SECOND book written by Horacio Jones.

This book is for anyone learning to love themselves more, recent breakup, in a situation ship, in a relationship, married, or just single and want to grow more. I absolutely loved this book. It is so deep and thought provoking, yet simple. After a few pages I had to put the book down and just think on what I read. I read this book after a recent breakup. This book helped me see it was for the best to leave the relationship. This book gave tips on how to heal and love again. Love myself first, then others. Everyday I see I am a better version of myself. Please read this book.

I got out of a bad 5 year relationship and this book spoke life into me. Like everytime I felt like calling/messaging him or drinking my life away, I simply picked this book up. The way he talks to you and motivates you makes it easier to heal and self love. Also coming from a grown man's perspective is like so mind blowing! I love this book and God Bless the author!
