Quarenta Historinhas E Cinco Poemas (Portuguese And English Edition)

Synopsis

It has proved itself as successful in the classroom as its predecessor, *Cronicas Brasileiras*, due, in great measure, to the distinctive "brazilianness" of the language and to the subject matter of each historian, which in nearly all cases provides considerable stimulus for discussion. Preto-Rodas and Hower are to be commended for once again compiling an excellent textbook that lends itself to a variety of uses in intermediate Portuguese conversation and composition courses. "South Atlantic Review" The editors have reproduced in their original form forty excerpts from 70 *Historinhas: Antologia* by one of Brazil's most distinguished contemporary writers. Designed as both a reader and a grammar review for students in control of a basic Portuguese vocabulary, the textbook's selections are well glossed with footnotes that explain idioms and cultural points in English

Book Information

Paperback: 238 pages

Publisher: University Press of Florida; illustrated edition edition (July 20, 1985)

Language: Portuguese, English

ISBN-10: 0813007895

ISBN-13: 978-0813007892

Product Dimensions: 6 x 0.6 x 9 inches

Customer Reviews

This book is not only a great tool when learning portugues but also an inside into the carioca culture. Each one of the forty short-stories are loaded with the everyday events of the life in the city of Rio.

I tutor Portuguese at a university level. The director of Portuguese decided to use this book for fifth semester Portuguese and I don't think it was a good idea. The short stories in the book are great (I am a personal fan of Carlos Drummond de Andrade), but the exercises are not very clear and lack an answer key; even the director had a hard time deciding what the correct answers were. The book

is good for someone interested in some personal study, but I do not believe it should be used in a classroom setting.

I was assigned this for second quarter Portuguese at UCSC, Winter 2015, Accelerated Elementary Portuguese for non Spanish speakers. I enjoy the reading challenge and that the stories are filled with so much culture behind the language; a real insight into Brazil of the past and perhaps what we will encounter today. Professora uses these for reading comprehension and writing response practice, we've been reading and responding to one or two per week this quarter. I am figuring out much more about the language because of the stories. They are really neat stories!

Very helpful in learning Portuguese.
