Grassroots With Readings: The Writer's Workbook

Synopsis

Using her unique M-A-P approach (Model-Analysis-Practice), Susan Fawcett's books have guided hundreds of thousands of students through the writing process, from foundations of grammar, mechanics, and spelling through writing clear sentences and well-organized paragraphs. Her inductive approach; plentiful, high-interest student models and practices; and contemporary readings engage and motivate students. This new Eleventh Edition of GRASSROOTS triples the writing coverage-with new Chapters 5 and 6, "Thinking Through the Writing Patterns." Also featured are new critical-thinking and viewing assignments throughout; eight fresh reading selections focused on issues and ideas, not narrative; and a new emphasis on academic and third-person writing.

Kind of misses the point of saving money on the book if there are pages missing/ripped from it. Was docked points on my grade for this class because I couldn't do the assignments that required those pages. Not happy.

Great book. If you know someone who's out of school for a while the should get this book. I got it for a family member. It was a required read. He loves it.

The description said the book was in bad condition, but actually it came in a better condition than

expected.
