El Bajón Y El Delirio: Crónicas De Un Pocho En La Ciudad De México (Primero Vivo) (Spanish Edition)

Synopsis

Come visit and feel welcome in Mexico City, an immense and unpredictable metropolis, with more than 20 million inhabitants. It is surrounded by volcanoes, a propensity for earthquakes and kidnappings, covered for the vast majority of the year with a dense cloud of fog, and the home to numerous urban tribes. The author of this book is a noted American journalist of Mexican ancestry who undertakes an expedition in search of his roots. The result is a lively and current chronicle of the Mexican capital with all of its lights and shadows: a singular approach to the diversity of a site capable of harboring within itself the most unsuspecting possibilities.
