50 Strategies For Teaching English Language Learners (5th Edition)

Synopsis

Note: This is the bound book only and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with a bound book, use ISBN 0134057295. 50

Strategies for Teaching English Language Learners includes a rich assortment of practical strategies aligned to TESOL standards, which have been field-tested in diverse classrooms. Each strategy includes a brief explanation, step-by-step instructions on how to plan and use the strategy, and classroom scenarios demonstrating how the strategy can be adapted for different grade levels and content areas. The authors have included additional strategies in language and literacy development, technology, and assessment to support both pre-service and in-service teachers. The Fifth Edition represents a major change in standards-based education that helps educators meet the additional challenges of the Common Core State Standards in the process of acquiring English. Included are six new strategies, self-evaluation rubrics, adaptation charts, classroom examples demonstrating approaches to CCSS, video links, pop-ups encouraging further reading, and a glossary of terms encountered in the text. The Enhanced Pearson eText features embedded video.

Â Improve mastery and retention with the Enhanced Pearson eText* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience. Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad® and Android® tablet.* Affordable. Customer Reviews

Bought it for class so I'm indifferent. But the book is in good condition. So that's all that matters to me.

I'm using it for a class in college. It actually has really great techniques and tips.

It is a good resource for ESL teachers. I put three stars because I didn't receive the CD nor the code.

Great easy to use guide for strategies to implement in classroom.

Didn't know it was an ebook.
