LOVE THE DURABLE COVER. IT COULD REMOVED AND USED ON FUTURE ATLAS. THE ATLAS IS EXCELLENT. IT PROVIDES INFORMATION THAT A GPS LACKS AND HAS SAVED US MANY TIMES BY SHOWING US ROADS THAT WERE NOT ON GPS.

Just a beautifully done atlas excellent quality and very easy to read. I especially like the vinyl cover. I have GPS Garmin DriveSmart 50 NA LMT to travel with but you never know when a solar flare cuts out your connection...LOL. So, having a hard copy map is always a good back up. I definitely recommend this atlas to everyone!!!

Needed a new road atlas as the tattered and torn 2002 version needed to be updated. We drive cross country twice a year, we like to follow along as to where there are rest stops and when to fill up on gas before getting too close to big cities. Love the new plastic cover!

I ordered it for myself, but it came when it was my 35 year old son's birthday, so I gave it to him and he loved it. I ordered two more, one for myself and one for my daughter since we were driving two cars out to DC this summer. I love it. It's nice to use turn by turn navigation from my phone, but the phone doesn't give one the big picture like the atlas does. Good value.

I LOVE IT!!! it beats any GPS because I love being able to see various roadways that are available I love the plastic cover that keeps it in excellent condition

Could not find highway to hell, but got me home from Kroger! Just has good. Great detail on the state maps. To improve I would like a "where am I now" button.

The most detailed Atlas I have ever used I really like it a lot !

It's a Rand so always great for trip and just to study.
