# The 312 Best Things About Being A Stepmom: For Those Days When You Can Only Come Up With One Or Two On Your Own.

## Synopsis

Forget Cinderella and the hundreds of other fairy tales about wicked stepmothers. Here is the truthâ™ a warm, bright, positive, yet frankly honest and realistic celebration of the most challenging role any woman will face. Think of it as the joy of stepmomming, and the perfect Motherâ™s Day gift of encouragement and support. Written and illustrated by Cynthia L. Copeland, a stepmother to three boys and author of the bestselling Really Important Stuff My Kids Have Taught Me, THE 312 BEST THINGS ABOUT BEING A STEPMOM is packed with humor, wisdom, empathy, quotes, and testimonials from dozens of stepmothers who have shared their experiences with the author. So, if being a stepmother seems so often to be a storm cloud, this is the silver lining. For example: People canâ™t figure out how old you are by the ages of your stepchildren. Or, When they hug you, you know itâ™s genuine, not out of habit. You didnâ™t have to agonize over whether to name your stepson after his grandfather, his rich uncle, or your favorite poet. If you ever go ahead and have kids of your own, youâ™ve had practice. And if you are already a parent: The trip to the warehouse club is finally worth the gas money. Your step-teens will see to it that your younger kids are up on the latest cool music, video games, and cargo pants. Family counsel now has enough people for a house and a senate. And, With so many more participants, thereâ™s a chance that you wonâ™t always get creamed at Scrabble!

## Book Information

Paperback: 420 pages

Publisher: Workman Publishing Company (April 27, 2006)

Language: English

ISBN-10: 0761138374

ISBN-13: 978-0761138372

Product Dimensions: 4 x 1 x 6 inches

Shipping Weight: 9.6 ounces

Average Customer Review: 4.4 out of 5 starsÂ Â  See all reviewsÂ  (8 customer reviews)

## Customer Reviews

What a wonderful little book! I was surprised to see a few other readers who felt they did not get

much out it. When I picked this up I did not expect it to be an advice book, or even totally true for my stepmom experience all the time. Being a stepmom is the hardest and most thankless thing I have ever done, and it is a lifetime job, so I am looking forward to a lifetime of hard work and self-sacrifice. But as hard as it is, there are many wonderful things about being a stepmom (I wouldn't trade it for the world!), and this book is a great reminder to step back and look at the big picture and be thankful for the good times! Even when happy moments such as described in this book are few and far between, it's so important to hold onto the positive. For me, it is the only thing that gets me through the negative! I love how the author has broken the book into chapters: Introduction: Stepmom Forecast 1). Stepping Up as the Other Mother--Universal Aspects of Stepmotherhood 2). Suddenly Stepmom--From Single Gal to Married with Children 3). Adding to the Flock--Combining Kids for a Real Life Brady Bunch 4). Nonstop Stepmom--When Your Stepchildren Live With You Fulltime 5). Baby Steps--Stepparenting Infants and Toddlers 6). Next Steps--The Middle Ages 7). Big Steps--Life with Tweens and Teens 8). Giant Steps--When Your Little Steps Are Finally Grown 9). Grown and Gone--Becoming a Stepmom When His Kids Are Adults 10). In Step with Your Husband--Making Your Marriage a Priority Conclusion: Silver Linings Found I also admire how the author has interspersed comments and stories from real stepmoms throughout the book. I always love to hear about other stepmoms! The illustrations are adorable, too.
